

## Canton Meeting May 2021

Held: June 27, 2021 Noon

Location: The Nest - 23149 Hwy 21 Tomah WI 54660

### Attendance:

Matthias (Matt Schwall)

Aoife Cno Capaill (Gretchen Tischer)

Seonag (Sue Schwall)

Ed the Tall (Ed Jilbert)

Fiona the Younger (Lyn Andreasen)

Katheryne (Christine Jacobsen)

Daniel (Dan Topp)

Maerwynn (Sarah Topp)

Edmund (Shane Braund)

Annabeau (Molly Shields)

### Officer Reports:

Seneschal – quarterly report is due July 20 – will be filed. Meeting tomorrow for Kingdom. July 1 masks will be optional for outdoor events and meetings. Still no feasts. Indoor meetings require masks. No requirements for pre-registration but highly suggested. Kingdom accepts PayPal – if interested reach out to that person at the Kingdom level to learn more.

Herald – report going in before it was due – nothing new to report

MOAS – report was filed – a bit late, but still in. nothing new to report. Hopefully well be up to things here in the near future.

Chatelaine – report was filed – nothing new to report. No new contacts. Pack Rat O Doom – still has stuff, still working on inventory

Archery – report was filed – nothing new to report

Chronicler – nothing new to report – report will be filed

Web minister – web page is still up and running. Nothing new to report

Exchequer – we have money. \$2,961.16 total funds. Bank contact for signatories may no longer be with the bank. Have been provided with new contact information to get the signatory cards up to date – we should really consider updating the signatory cards – our cards have the former Kingdom Exchequer signature on it. This really needs to get updated as soon as possible with restrictions being lifted due to the pandemic. Signatories need to coordinate getting to the bank to get the cards updated with the Canton's signers.

Kingdom is looking for groups to host SUN – Canton, no, not this year

WW people have sent out missives regarding the activities that will be available for 2021. Online and in person activities appear to be happening. Information appears to be available on different online platforms

TMT 2022 – Are we planning on doing a full TMT for 2022 with Feast and everything even with the restrictions? Yes, we are currently planning on hold a full TMT. It is expected that restrictions will be lifted fully by that time; however, accommodations will be put in place to adhere to all restrictions in place at the time of the event. Could we see if the city will hold the TMT deposit as they do the WW deposit to roll it over to the next year's event? This is something that could be arranged with the city. We will just need to notify the city before TMT starts in 2022 to have the deposit held forward for 2023 TMT.

MOAS – Ed the Tall as started the shower reconstruction project for WW! Annabeau has been working on lyrics. Mama has been working on natural bug repellent projects.

Jara is looking to create a presence at the Belleville UFO Days Oct 30. Aoife has made contact with Jara's contact to assist with volunteering for the day. If you are interested in knowing more, speak up and reach out.

Next Canton meeting will be Sunday, July 18, 2021 at noon at The Nest in Tomah. Archery to follow with interest and weather.
